## **AUDITOR REPORT**

During the ECA Congress in Crete on 2023, I was nominated to check the accounts of the European Canoe Association.

The examination of this accounts was done in my office in Sofia, during the beginning of March 2025.

The audit of the accounts was done with generally accepted auditing standards, which included some tests of the accounting records.

The enclosed statements of the bank state the assets, and the summary of the receipts and expenses, shown subdivided and transparent.

A control was done at random in all money traffic an all accounts, with budget realization and balance sheet.

No payments are recorded without a voucher or an invoice.

All asked informations was given correctly and completely.

Herewith I declare after executed commission, that the financial statements present fairly the assets and fund balance of the European Canoe Association at December 31 2024.

I would like to ask to the Federations presents to the Congress, to give discharge to the treasurer and to the ECA Board members.

Also my congratulations to the treasurer, for the accomplished work.
