

**European Canoe Sprint Championships
Seniors / Paracanoe**

**MANUAL INSTRUCTION
FOR THE ORGANIZATION**

**Elly Müller
Technical Delegate
Updated January 2018**

OFFICIAL INSTALLATIONS AND FACILITIES.

FINISH TOWER:

- Room for Jury + Internet
- Room Photo finish / Competition Committee
- Room for Finish line judges / timing people
- Room for speaker
- Outside and inside a clock
- Internet
- Toilet

MAIN BUILDING:

- Office for the Organization
- 1 room for the ECA President and ECA Secretary General
- 1 office for the Chief Official + internet before the races
- 1 room for the ECA Officials + Computer/internet
- VIP room
- Internet and cooler
- Pigeon hole for the Jury and VIP's by name.
- Pigeon hole for the ECA officials by name.

EQUIPMENT NEEDED:

- Organization has to use the Software program contract, ECA has signed with a company.
- 1 photo finish system
and
1 ECA MariTime (as back up and capsizing finish line).
- At the team leaders meeting we need to have:
 - A draw of the Venue in the Computer
 - The program has to be in the Computer
 - Extra screen for the Chief Official
- Forms for:
 - Boat control
 - Starter's report
 - Course umpire's report
 - Disqualification
 - Protest
 - Appeal
 - Finish line
 - Receipt
 - Presentation of medals
 - Change form
- Enough ball-points / white papers
- 50 sets of lane numbers 1 – 9 not sinking
- +/- 30 program clipboards (plastic) for the Officials
- For all the Officials a cap (for the sun or for the rain)
- Rain clothes for Officials
- 3 or more information boards with the program and results for the competitors.
- Body numbers Seniors and Paracanoe: 1 – 600 white (size 20x25 cm) number 2,5 cm thick.

SPLIT TIME / INTERMEDIUM TIME:

- 750 – 500 – 250
- Tent or small building at the 250m and 750 m
- 3 or 4 stairs
- Table
- Ball-points
- Rain clothes

ATHLETES AREA:

- Info centrum for trainers/coaches/competitors
- 1 pigeon hole per Federation (for program, info, results etc.)
- 2 or more info boards
- Enough tents or hangars for the Countries / Athletes

- Signs no smoking
- Enough toilets (1 per 25 persons)
- Dressing rooms and massage rooms
- IF possible gym room

COMPETITION SITE.

At least 6 RESCUE MOTORBOATS ALONG THE COURSE:

- Before the start line
- Behind the finish line
- At the 250m 500m and 750m spots.
- In the training/ warming up area
- Not in front to save the people but coming in from behind
- During the races stationary at the border

START HOUSES

- The start towers have to be at least 1 meter higher as the water. The starters have a better view to make the start.
- Separate loudspeaker at the top of the start house (100/200m wide sound) to call competitors come to the start line. (Mostly competitors are too far from the start line).
- Video and Monitor with slow motion and sound at the start 200, 500 and 1000 m for false start. (with instructions for the starters or separate person).
- Outside, at each start tower a BIG clock for the competitors at the side of the competitors coming to the start (simple but big).
- 100m from the start 200/500 and 1000m a sign with START AREA100m. (this is the area for the competitors to be before their start).

AUTOMATIC START SYSTEM

- Automatic start systems with microphones on each lane or 1 per 2 lanes.
- Lane NUMBERS on the automatic start system (1-9)VISIBLE for ATHLETES AND STARTERS.
- Toilet for the starters at the 500 and 1000m
- If the automatic start system is inside the tower, there should be a headset for the starter that he can hear what he is saying to competitors during his start.

FINISH LINE:

- +/- 1-2 meter behind the finish line numbered square white buoys (70x70cm)with lane numbers (1-9)on 4 sides.
- To have a better view at the finish line, buoy number 5 in yellow. Is clearer for the Photo finish, TV and Officials.
- Outside on both sites red flags (see Albano system).
- If there will be Television and the lane numbers are not in a good rank for the TV organization has to change the lane numbers from 9 – 1.

CATAMARANS:

- + spare paddle + fishing net (if necessary to pick up grass out of the water):
- At least 7 catamarans (6 for the Course Umpires/ Aligners and 1 for spare)
- If there is TV a special Catamaran for the TV.

Catamaran drivers:

- Good boat drivers/ who speaks a little bit English
- Drivers needs to have radio contact with the Technical Manager

DISTANCE INDICATION:

- Start 200 / 250 / 500 / 750 / 1000 meter (both sides)
- Format 2,50 X 1,00m.
- Half yellow half black.

MEDICAL FACILITIES:

- First aid posts
- Hospital in the surrounding
- Ambulance
- Anti doping control

EQUIPMENT NEEDED for OFFICIALS

- 10 or more boat standards
- Small tent/ umbrella for the Officials (for rain or sun)
- Rain cloth for the Officials and helpers

DISTRIBUTION LANE NUMBERS at the SAME PLACE AS ID CONTROL.

- 1 NTO official is the coordinator.
- 2 Volunteers can do this job.
- 1 big table and 2/3 chairs
- All the lane numbers have to be at that place
- Ball-points
- Clipboards
- Update program every time
- To make a schedule for the volunteers

2nd BOAT CONTROL (AFTER THE RACES)

- Hanger or tent - well secured 20 x 10 m
- close to the finish tower
- Radio or/and phone connection with Chief Official/Competition Committee
- Microphone to call lane numbers for the 2nd boat control
- 1 megaphone s back up
- 1 balance (the same which has been used by self-control athletes)
- 2 Split level measurement 50 and 100 cm long
- Tape 6 cm waterproof
- 10 boat standards (2 for 1 boat)
- List with the weight and length, to hang in the tent.
- Gauges to measure the length of the boats
K1/C1 -5.20m K2/C2-7.50m C4-9.00m K4-11.00m
- Gauges to measure the high of the boats
- Metal measurement of 15 m. (to check the length)
- Table and 5 chairs
- Banks of chairs for the helpers
- Ball-points / white paper
- Towels for drying the boats
- Assistants to pick up the boats out of the water (schedule for 2 groups)
- 1 or 2 persons to hold up the numbers for the 2nd boat control (A 3 number 1-9)
or
- A standard to hang on the numbers, you need less volunteers
- Rain cloth for the Officials and helpers
- Clipboards
- Forms
- Bottles of water for the athletes

STARTERS:

- Closed area for trainers/ coaches and spectators (false start)
- Head set to the Chief Official / Competition Committee
- Fixed phone to Chief Official/Competition Committee
- Radio as back up to Chief Official/Competition Committee / Course Umpires
- Extra megaphone
- Beep linking to the Photo finish time keeping and Mari Time
- 1 beep is the start and 2 beeps for a false start.
- Separate loudspeaker to call the competitors to the start area.
- Don't use the loudspeakers from the automatic start system.
- Table and chairs 4/5
- Ball-points /white paper
- Clipboards
- Forms
- Rain clothes
- Sunshade
- A small clock only for the starters with minutes and seconds
- Toilet

COURSE UMPIRES / ALIGNERS

- 7 Catamarans + paddle + fishing net for weed (6 for Officials and 1 spare).
- Radio connection with Chief Official/Competition Committee
- In each boat 1 red and 1 white flag
- In each boat 1 set of lane numbers 1-9
- Rain clothes for the Officials and the drivers
- Drivers must have good instruction and to speak a little English
- Clipboards
- Forms
- Ball-points / white paper

TV CATAMARAN: If we have TV

Talk with the TV persons for having a good cooperation with them.

- To have a separate Catamaran for the TV
- TV Catamaran driver needs to have good instructions what is the best way to drive.
- Do exercises with the TV people.
- If there is a road along the racing course the TV has to be on that road.

SANITARY:

- Sufficient toilets (1 toilet for 25 persons)
- Enough dressing rooms and showers

PRESS CENTER & FACILITIES.

See ICF instruction manual

CEREMONIES.

- Direct after the finals is the Medal Presentation.
- The medalists have to stay at the 2nd boat control for the Medal Presentation.
- Trainers can bring the uniform to the 2nd boat control.
- People from the Organization will pick up the athletes from that point to the Medal Presentation.
- **VERY IMPORTANT TO MAKE PRACTICE.**

GENERAL.

TRANSPORT:

- To pick up the teams at the airport / railway
- To have an info stand at the airport
- To indicate the highway and town with posters and a sign. For drivers to indicate the way to the Venue and/or accreditation.
- During the training and races to have a good bus schedule from the hotel to the course and back.

TEAM LEADERS / TECHNICAL MEETING

- If possible to have the team leaders meeting at the Venue for about 90 persons.
- Technical Official meeting at the same place.
- Monitor for the Chief Official at the table to have the same program as the Trainers/ Coaches.

ACCREDITATION:

- From each country 2 persons are allowed to come to the finish tower/special mark the ID card
- For ALL officials an all in accreditation.
- It is very economic to ask at the accreditation the trainer/coach or Secr. Gen. to listen to their National Anthem and show their Nation flag and to sign for.
- At the accreditation give:
 - start list + competitors list. Big countries 2 lists.
 - body numbers
 - change forms
- If a copy of the passport is not sending to the organization then:

COMPETITORS LIST

- Separate list Men and Women athletes per country with body number.

PROGRAM/STARTLIST

- 2 start list for Canoe Sprint for the Team leaders meeting.
- 1 start list for Paracanoe for the Team leaders meeting
- Big countries 1 extra.

AFTER THE TEAM LEADERS MEETING program in colours

Heats	WHITE
Semi finals	COLOR
Finals	ANOTHER COLOR

RESULTS

- After each race printed results for Press, VIP, Jury and Competition Committee.
- Trainers who wants to have paper results have to ask at the Info desk.
- Separate the Juniors and Under 23 results on the web site.

- List total points by country (Canoe Sprint and Paracanoe separate)
- List total medals by country (Canoe Sprint and Paracanoe separate)
- List total points kayak Men (Canoe Sprint and Paracanoe separate)
- List total points Va Paracanoe
- List total points canoe Men
- List total points kayak Women (Canoe Sprint and Paracanoe separate)
- List total points canoe Women
- List with the names of the organizers
- List with the names of ECA officials
- List with the names of the sponsors

DISTRIBUTION OF INFORMATION

- Big countries 2 copies of the program, results etc.
- X copies Sponsors
- X copies Jury members + some extras
- X copies Officials + some extras
- Press people
- Athletes area
- Technical Staff
- Catamaran drivers

PARA CANOE equipment

- Big tent or hanger or room to do the classification and the administration.
In the tent/hanger/room has to be the possibility to make small rooms for classification (4 x 4 m).
- Tables and chairs for the classifiers and athletes.
1 table and 2 chairs in each room.
- 2 Massage tables have to be adjustable in height.
- 1 or more printers.
- 1 extra room for Paracanoes Classifiers with table and chairs
- Possibility to have heat or air-conditioning.
- K1 ergo for technical assessment of athletes (Kayak Pro if this has the adapted seat attachment).
- V1 ergo for assessment of the athletes doing V1 with adapted seat attachment.
- Boat control info Kajaks 5.20m – 50cm width – 12 kg.
Va.s 7.30 m – 13 kg.
- Special sanitary and toilets Women and Men separate.
- Separate info board for Paracanoes for special info.
- 1 safety boat with staff during classification period.
- 1 or 2 motorboats + drivers launches for on-water assessment.
- Bottles of water or water point to get water during the classification.
- Separate pontoon to get into and out of the water and to have the ID control
- Special transport busses
- Special attention for Hotels.

MISCELLANEOUS

- Internet in the whole area.
- At least 12 assistants for the 2nd boat control (schedule for 2 groups).
- 2-4 National Officials or Volunteers for distribution the boat numbers.
- At least 10 National Officials for inter medium time/split timing
- Enough persons for the reproduction of the information, programs etc.
- All the Officials in the same hotel. Official hotel with Air conditioning.
- Organization has to pay for Officials.
- If an Official will not stay in the Official hotel, their Federation has to tell this to the organizers and has to pay for their Official.
- Special transport for the Officials. Chief Official makes the schedule.
- Possibility to rent bikes.
- If there is a possibility to pay with Credit card mention this in the 1st bulletin.
- ECA medals.
- Organization has to give up the numbers of medals to the ECA Secretary-General and to pay for.
- Chief Official will do the drawing for the heats in cooperation with the Company who will do the software.
- In case of very warm weather cool boxes for OFFICIALS ON EACH SPOT with water and soft drinks. (special for the Course Umpires).
