# Insurance, Medical care and Anti-Doping

## First Aid

First aid for countries will be located between flat water area and slalom course (n°34) from 10<sup>th</sup> to 18<sup>th</sup> May. The NF advise all participants that emergency medical services will cover only emergency cases and that all participants are responsible to arrange medical insurance policy at their own cost.

## Water safety

Rescuing in the competition area will be organised only during the competition days. Countries are responsible for their athletes during training period. However, there always will be someone in HOC office (n°9) to help contacting first aid or emergency if needed.

## Medical insurance

The Organising Committee kindly asks all participants of the 2025 ECA Canoe Slalom European Championships to arrange medical insurance policy in their respective countries. All costs above the regular first aid and ambulance services are to be covered by this medical insurance policy. The Organising Committee will not cover any expenses in connection with hospital treatment.

## Doping Control

Doping control will be performed in accordance with the ICF/ECA Anti-doping requirements and WADA standards.

# Insurance, Medical care and Anti-Doping

## Anti Doping Education

For the ICF World Championships, ICF World Cups and ICF Ranking Races and Continental Championships, every athlete, coach and support personnel MUST pass the relevant anti-doping online course on the Anti-Doping Education Learning platform (ADEL) corresponding to their role

Athletes entered in any ICF competition or Continental championships must complete the ICF's anti-doping education program or equivalent before competing or risk being denied entry to the competition. For more information please see: <https://www.canoeicf.com/anti-doping-education>
