**2021 ECA CANOE OCEAN RACING  
EUROPEAN CHAMPIONSHIPS**  
— CHERBOURG-EN-COTENTIN —

## THE PLEASURE OF MEETING

We look forward to welcoming you to share this nautical sports competition. One-month left before the competition. Even if the global sanitary situation seems instable, the whole team works hard to welcome you in the optimum conditions. That second official bulletin aims to give you new information and adjustments of the organization. The sanitary crisis doesn't look ended. The organizing committee remains extremely cautious. The health pass seems to be developed in several countries. If each of us would like to anticipate the most as possible this situation, the urgency is to wait. The last two years taught us that we can't anticipate this pandemic situation too early and also that we can quickly adapt our all-day practices. At the beginning of August, a third and last official bulletin will deal with that subject.

Stay safe and happy reading!
